02 – HOW WE CAN HELP

I have been working with my Team of Associate VA's to ensure that we can provide you with a simple and straight forward service.

We have put together a package that you can add to depending on your business needs.

- ✓ You provide us with your logo, brand colours and content.
- ✓ We use your existing Canva account or create a FREE account for you. This way, when we are done you will have full access to the ebook to make changes as you wish.
- ✓ We create the ebook for you ready for use.

WHAT'S THE CATCH?

There is no catch, we can provide you with more support as you need it such as a proofreader or qualified graphic design support.

WHAT'S THE INVESTMENT?

We offer this service starting from **£45.00**.

This is based on a three-page ebook with word content provided by yourself ready for input.

"I RECENTLY USED LETTY TO DESIGN SOME A5 FLYERS AND SHE WAS AMAZING. VERY PROFESSIONAL AND A VERY QUICK TURNAROUND. I WILL CERTAINLY BE USING HER SERVICES AGAIN!"
